

## Getting Active At Sunnyvale Kindergarten

Contributed by Craig - GKA Staff  
Wednesday, 07 December 2005

The kids at Sunnyvale Kindergarten have been getting active with parts of the Get Kids Active Fitness programme. The kids are loving it and the GKA team decided to send them some products for FREE to help keep them active!

They sent us these wonderful pictures of the children getting active to the fantastic products which are available in our hot products section.

The children just loved getting active and had a great time as can be seen below!

For more information regarding the GKA fitness programme or about Parent Education sessions in your region please contact [craig@getkidsactive.com](mailto:craig@getkidsactive.com)
